

MEMO

TO: Metropolitan Member Clubs
FROM: Match & Program Committee
DATE: Wednesday 16 October 2019
SUBJECT: Confirming results

Dear Secretaries and other club members involved in entering and confirming results.

It would appear that Clubs have been able to enter results for all Round 1 matches. We accept that it may not have been as smooth as we would all have liked but thank you again for your efforts.

There are a few outstanding issues regarding forfeits and byes and we are also aware that for a few Sections the allocation of match points is incorrect. We hope to have these fixed in the next week or so.

Now that the scores are in we need to ensure that all Round 1 results are confirmed. As I mentioned in my previous memo, results don't appear in the ladder until they are confirmed.

Given that some scores were not entered until several days after the match it is not surprising that there are a lot of unconfirmed results. Can all Clubs please now confirm the results for these Round 1 matches. It is the away sides' responsibility to do this.

The easiest way to check whether the results have been confirmed is to look at the ladder. If the result for your side does not appear in the ladder then that means they haven't been confirmed.

Your help in this matter would be greatly appreciated.
