## **Season 2019/20 – Release of updated Pennant Side Listings**

Updated side listings and draws for the Saturday, Wednesday and Thursday competitions have now been released. We are hopeful that this will be the final release for all 3 Competitions.

The updated side listings are available [here](#)

As we are using a new system for the draws this season, and it has just been released, the full draw is not yet available.

To assist Clubs in preparation for the first round of matches, Sides numbered 1, 3, 5, 7, 9 & 11 will be playing at home in the first round with other numbered sides away.

### **Thursday Pennants**

As indicated in our previous memo, with eleven sides in Division 4, we will place them all in the one Section as we did last season. We will produce an adjusted draw to take into account the distance between Clubs. All sides will still play half of their games at home and the other half away, but they will not play all other sides the same amount of times. We will advise clubs when this draw is available.

### **Wednesday Pennants**

Thank you to all the Clubs that responded to our request to consider upgrading a side from a 2 rink to a 3 rink. We had several positive responses and have been able to accommodate them all and remove the byes.

### **Side Listings and the draw**

Where Clubs have more than one side in a Division, these sides are ranked in descending order of ability and are designated Red, White, Blue and Green with Red being the primary side. For Clubs in this situation, colours have been allocated. If any Club wishes to change the ranking order of those sides, they need to advise us in writing ([matchcommittee@bowlssa.com.au](mailto:matchcommittee@bowlssa.com.au)) by Tuesday 24<sup>th</sup> of September 2019.
