

MEMO

TO: Metropolitan Member Clubs
FROM: Match & Program Committee
DATE: Friday 13 December 2019
SUBJECT: Problems entering results

There have been a number of cases in recent weeks where Clubs have been unable to enter results after matches.

After some investigation it would appear that this is occurring when the away side presses the confirm button after entering the players' names before the match.

The confirm button should only be used when confirming the scores after the match.

We will be working with the developers to make some changes to remove this ambiguity.

Can you please pass this message on to all Club members responsible for entering the players' names or results.

If there are any questions regarding the above or further clarification required, please contact Match & Program (matchcommittee@bowlssa.com.au)
