SUBJECT: Last minor round game – entering results

With only one minor round match to play in all competitions there is increased interest in knowing how sides are placed.

However, as you are aware, the ladders are not updated until the away side has confirmed the results.

It would be ideal for this last round if the results of all matches were confirmed by 6:30 pm.

For this to happen, the home sides will need to enter the results as soon as possible after the completion of the match.

Your assistance with this would be greatly appreciated.

Could Secretaries please pass this on to those Club members responsible for entering and confirming the results.

If there are any questions regarding the above, please contact Match & Program (matchcommittee@bowlssa.com.au)
